

dnevi poezije in vina

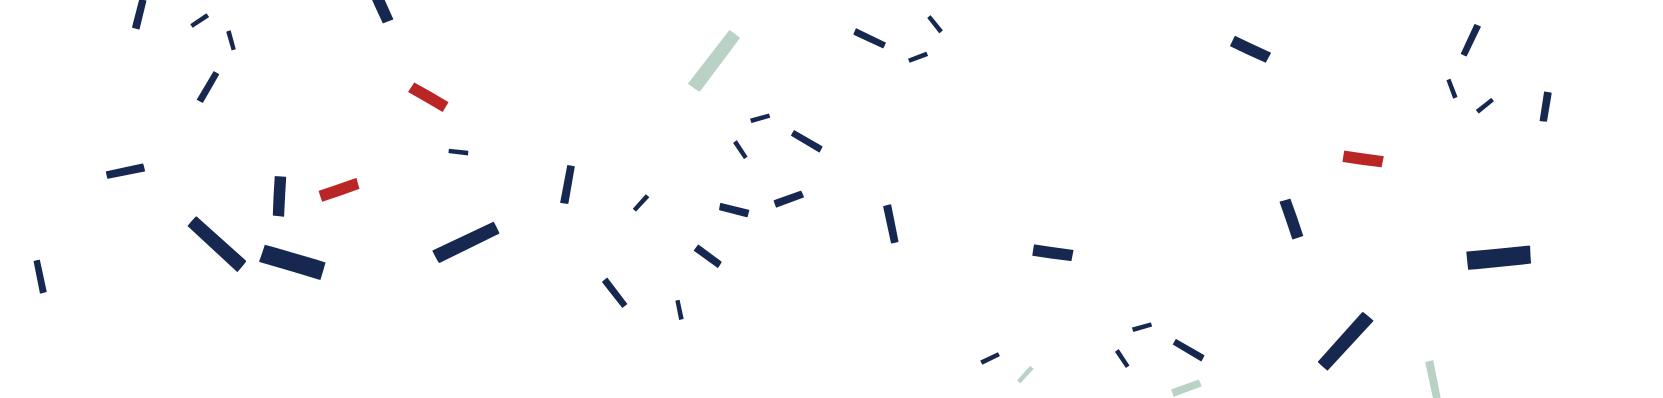

Days of
Poetry
and Wine

22.-29. AVGUST 2015

**22.-25. KOG, KRŠKO, LJUBLJANA, MARIBOR, POTRNA (AT),
SELCE, ŠENTVID NA GLINI (AT), VELIČANE, VILA PODVIN,
VOLČE 26.-29. PTUJ, VARAŽDIN (HR)**

Dnevi poezije in vina bodo zadnji teden avgusta Ptuj zavili v verze. Tokrat prvič kot del pesniške platforme Versopolis, stičišča enajstih pomembnih evropskih pesniških festivalov, ki spodbuja mobilnost perspektivnih evropskih pesnikov iz različnih držav, veča število njihovih prevedenih del in dostopnost poezije na splošno ter vključuje novo in že obstoječe občinstvo v kreativni proces.

V fokusu (dogodki v programu, označeni s »*Fokus 2015 / Focus 2015*«) bo letos sodobna poezija, ki nastaja v nizozemskem jeziku. Zastopala jo bosta po dva pesnika iz Belgije in dva iz Nizozemske, zato se bo festival začel s štiridnevno nizozemsko-slovensko prevajalsko delavnico v soboto, 22. avgusta. Dnevi poezije in vina letos prinašajo pisano dogajanje po vsej Sloveniji pa tudi na Hrvaskem in v Avstriji, kjer bo pod naslovom *Trenutki jasnine* v soboto, 22. avgusta, v koroškem Šentvidu na Glini potekal celodnevni pesniško-vinski program s slovenskimi in mednarodnimi gosti. Tradicionalni *Večeri pred Dnevi* se bodo 25. avgusta odvijali na šestih že znanih in kar treh novih prizoriščih po vsej Sloveniji, zgoščen festivalski program pa bo potekal med 26. in 29. avgustom na osrednjem prizorišču na Ptuju. Tam poleg nenadomestljivih velikih večernih pesniških branj in koncertov, okroglih miz in drugega programa prvič pripravljamo tudi sklop dogodkov s petimi perspektivnimi avtorji platforme Versopolis in več novih zasebnih branj v doslej še neodkritih ptujskih kotičkih. Prav tako Dnevi poezije in vina letos še bolj širijo svoj program na vizualno področje in prinašajo kar šest različnih razstav.

Days of Poetry and Wine will in the last week of August 2015 again envelop Ptuj in verse. This time will be the first time as part of the poetry platform Versopolis, a union of eleven important European poetry festivals, which encourages mobility of emerging European poets from different countries, increases the number of their translated works and the accessibility of poetry in general and includes existing and new audiences in the creative process.

In focus (events in the programme marked with »*Fokus 2015 / Focus 2015*«) this year will be contemporary poetry in the Dutch language, represented by two poets from Belgium and two from the Netherlands, and for this reason the festival will begin with a four-day Dutch-Slovene translation workshop on Saturday, 22 August. Days of Poetry and Wine this year bring a colourful selection of events all over Slovenia as well as in Croatia and Austria, where under the title *Moments of Clarity*, a full day's poetry-wine programme with Slovenian and international guests will take place on Saturday, 22 August, in the Carinthian town St. Veit an der Glan. The traditional *Evenings before the Days* will unfold on the 25 August on six already known and a whole three new locations across Slovenia, while the central festival programme will be held between 26th and 29th August in Ptuj, the central venue, where we have, in addition to the irreplaceable evening Grand Poetry Readings and concerts, round tables and other programmes, for the first time prepared a set of events with five promising authors of the platform Versopolis and more new Private Readings in hitherto undiscovered nooks and crannies of Ptuj. Likewise, the Days of Poetry and Wine will this year further expand the programme to the visual field and present a whole six different exhibitions.

Letošnja častna gosta bosta Milan Dekleva kot domači in ameriška pesnica C. D. Wright kot tuja častna gostja. Ob tej priložnosti bo izšel dvojezični izbor Deklevove poezije *Darwin gre v jedilnico* / *Darwin goes dining* v prevodu Andreja Pleterskega in prva pesniška zbirka C. D. Wright v slovenskem jeziku z naslovom *Skritost*. Kot odmev lanskega švedskega fokusa bo izšla tudi antologija sodobne švedske poezije z naslovom *Tvoj glas je moj* in pa seveda dvojezične knjižice s poezijo vseh festivalskih pesniških gostov, ki jih je letos skupaj s častnima gostoma dvajset. Izbrala sta jih selektorja Staša Pavlović in Matthias Görtitz, prihajajo pa iz petnajstih svetovnih držav od Kostarike do Turčije in pišejo v šestnajstih jezikih.

Na vinskem oltarju ter treh Hudih pokušnjah se bo letos pod vodstvom Staše Cafuta Trček in Jožeta Rozmana predstavilo nič manj kot 18 vinarjev, od tega 15 iz vinorodnega okoliša Štajerska Slovenija in trije iz vinorodnega okoliša Primorska. Vsi skupaj bodo poskrbeli za nepozabno enološko doživetje na pesniških večerih v čarobni atmosferi Ptuja, prestolnice poezije.

Festivalski dogodki so brezplačni

This year's guests of honour will be Milan Dekleva as domestic and American poet C. D. Wright as foreign guest of honour. On this occasion their bilingual poetry collections will be published: *Darwin gre v jedilnico* / *Darwin goes dining* by Milan Dekleva, translated by Andrej Pleterski, and *Skritost* / *Obscurity* by C. D. Wright, translated by Jernej Županič. As an echo of last year's Swedish focus, an anthology of contemporary Swedish poetry titled *Tvoj glas je moj* / *Your voice is mine* will be released, alongside, of course, bilingual booklets of poetry by all guest poets of the festival, of which this year, together with the guests of honour, there are twenty. They were chosen by the Programme Board, composed of Staša Pavlović and Matthias Görtitz, and come from fifteen countries around the world, from Costa Rica to Turkey, and write in sixteen languages.

Wine altar and three Wicked tastings coordinated by Staša Cafuta Trček and Jože Rozman will introduce no less than 18 vintners: 15 from Štajerska and three from Primorska wine region. All-together they will provide us with an unforgettable oenological experience at poetry evenings in the magical atmosphere of Ptuj, Capital of Poetry.

O PROGRAMU

ABOUT THE PROGRAMME

VELIKA PESNIŠKA BRANJA

Vsak festivalski večer ob 20.30 bo Vrazov trg preplavila poezija z vsega sveta. Na oder bomo vsakokrat povabili več festivalskih gostov, ki bodo v prijetnem večernem hladu brali svojo poezijo.

KONCERTI

Za piko na i bodo lahko obiskovalci velikih pesniških branj vsak večer prisluhnili koncertom vrhunskih glasbenikov, ki bodo poskrbeli, da se bo prijetno in sproščeno festivalsko druženje nadaljevalo pozno v noč.

IGOR LEONARDI IN ANA VIPOTNIK

Leta 2008 je izšla pesniška zbirka Milana Dekleva z naslovom *Audrey Hepburn, slišiš metlo budističnega učenca?*. Vsestranska glasbenika Igor Leonardi in Ana Vipotnik sta nekaj pesmi iz zbirke uglasbila in jih bosta na velikem odru Dnevov poezije in vina predstavila prav na večer, ko bo s pesniškim branjem nastopil Milan Dekleva kot letošnji častni gost festivala. Obeta se nam pesniško-glasbena poslastica.

ZVEZDANA NOVAKOVIČ & »BOSA« TER GOSTJE SCHERZER BRIGADE

Svežina, potovanje, zemlja, poletje ... peščica občutij, ki jih ustvari BOSA, mednarodna glasbena zasedba, ki se je posvetila izključno zvokom Brazilije. Repertoar zasedbe sestavlja izbrane, zahtevnejše in standardne kompozicije iz zvrsti »Musica Popular Brasileira« in pa avtorske skladbe Zvezane Novakovič in drugih glasbenikov. Ritmi in melodije se gibljejo od živahne *samba* in melanholične ter intimne bossa nove vse tja do večini manj znanih brazilskih ritmov in pesemskih oblik, kot so *partido alto*, *baião*, *afoxe* ali *choro*. Zasedbo sestavlja glasbeniki Zvezdana Novakovič (vokal), Marco Antonio Da Costa (kitara, vokal), Igor Matkovič (trombeta), Tadej Kampl (električni bas) in Žiga Šercer (tolkala).

GRAND POETRY READINGS

Each festival evening at 20.30, Vraz Square will resound with the sounds of poetry from all over the world. Each event will feature five festival guests who will read their poetry in the pleasant fresh evening air.

CONCERTS

To top it all off, visitors of the grand poetry readings may attend concerts by top musicians, who will ensure that the pleasant and relaxed festival atmosphere continues late into the night.

IGOR LEONARDI IN ANA VIPOTNIK

In 2008, Milan Dekleva's poetry collection entitled *Audrey Hepburn, Can You Hear the Broom of the Buddhist Student?* was released. Versatile musicians Igor Leonardi and Ana Vipotnik set a few poems from the collection to music and will present them on the large stage of the Days of Poetry and Wine on the same evening as Milan Dekleva will perform his poetry reading as this year's honorary guest. A poetic-musical treat is promised.

ZVEZDANA NOVAKOVIČ & »BOSA« AND GUESTS SCHERZER BRIGADE

Freshness, travel, earth, summer ... A handful of emotions created by BOSA, an international music ensemble dedicated exclusively to the sounds of Brazil. The repertoire of the ensemble consists of selected, complex and standard compositions of the genre »Musica Popular Brasileira« and authored compositions by Zvezdana Novakovič and other musicians. The rhythms and melodies move from vibrant *samba* and melachnolic and intimate bossa nova all the way to lesser known Brazilian rhythms and forms of song, such as *partido alto*, *baião*, *afoxe*, or *choro*. The ensemble is composed of Zvezdana Novakovič (vocals), Marco Antonio Da Costa (guitar, vocals), Igor Matkovič (trumpet), Tadej Kampl (electric bass) and Žiga Šercer (percussion).

KISS ME YESTERDAY

Pred davnimi časi je DJ in elektronski umetnik Paul naletel na dve jazzistki. Temeljni kamen za Kiss Me Yesterday je bil tako položen in njihova zgodba se je razcvetela in razvila. Paul s svojo domišljijoško kreativno bazo skrbi za ritem s pozornostjo do detajlov, Lisa pa virtuzno igra na svoj sopranski in altovski saksofon ter poje v živo, kar ustvarja edinstven zvok tega elektro swing benda. Kiss Me Yesterday, ki igrajo samo v živo, se lahko pohvalijo s seti, polnimi ritmov, swingovskih samplov, romantičnih groovov in sladkih prelomov. Njihovi posnetki, ki jih producirajo sami, puščajo veliko prostora za improvizacijo. Člani skupine so Pao Lee (Paul Pallweber): živa elektronika in produkcija, Lisa (Lisa Hofmaninger): saksofon (soprano in alt) in Hela (Helene Griesslehner): vokal in flauta.

VINO IN VINSKI OLTAR

Priznani vinarji vinorodnega okoliša Štajerska Slovenija bodo letos znova napolnili vinski oltar na Vrazovem trgu, večinoma z vini zadnjega letnika, izpostavljene pa bodo sorte, značilne za Štajersko. Letošnja novost je, da bomo gostili nekoliko več vinarjev kot v preteklih letih, vi pa boste zato še bolje poznali vina in njihovo senzoriko. Vse dni festivala se lahko od 19. ure naprej razvajate z vini Ptujске kleti, Verus, P&F Jeruzalem Ormož, Hiše Joannes Protner, Gaube, Steyer, Kraner-Plateis, Conrad Fürst & Söhne, Turčan, Hlebec, Doppler, SiSi, M – enostavno dobra vina, Gjerkeš in Dveri – Pax. Posebej povabljeni gosti ostajata briški vinar Šćurek in vinska klet STeraS, ki bo zastopala barve slovenske Istre. Novost je tudi predstavnik Vipavske doline z biodinamičnimi vini Guerila.

KISS ME YESTERDAY

Once upon a time a DJ and electronic artist Paul bumped into two female jazz players. Since that day the stone for Kiss Me Yesterday was laid and their story is blossoming and evolving. Paul, with his fancy creative base, plays the funky beats with attention to fine details. The virtuoso play with Lisa on her soprano and alto saxophone, together with a live voice, the electro swing band created their own, individual sound. Kiss Me Yesterday, who only play live in concerts perform boasting sets with pumping beats alongside swingingly samples, romantic grooves and sweet breaks. Their self-produced tracks leave much room for improvisation. Band members are Pao Lee (Paul Pallweber): live-electronics, music production, Lisa (Lisa Hofmaninger): saxes (soprano & alto) and Hela (Helene Griesslehner): vocals & flute.

WINE AND THE WINE ALTAR

This year the renowned vintners of the wine-growing region Štajerska will again fill up the wine altar on Vraz Square, mainly with wine from last year's vintage, with emphasis on varieties typical for the Štajerska region. This year's novelty is that we will host somewhat more vintners than in previous years, and you will get an even better sensory experience of their wines. Throughout the festival, every evening from 19:00 onwards, you can indulge in wines from the following cellars: Ptuj Wine Cellar, Verus, P&F Jeruzalem Ormož, Joannes Protner House, Gaube, Steyer, Kraner-Plateis, Conrad Fuerst & Soehne, Turčan, Hlebec, Doppler, SiSi, M – Simply good wines, Gjerkeš and Dveri – Pax. Special guests remain Šćurek, a vintner from the region of Brdo, and wine cellar STeraS, which will represent the colours of Slovenian Istria. A novelty is a representative of the Vipava valley, with the biodynamic wines Guerila.

VERSOPOLIS, KJER ŽIVI POEZIJA

Versopolis je evropska pesniška platforma, ki ustvarja nove priložnosti za perspektivne evropske pesnike, pri tem pa jo podpira program Ustvarjalna Evropa Evropske komisije, podprogram Evropske platforme. Koordinator projekta je Zavod Beletrina, organizator festival Dnevi poezije in vina.

Odlični mladi pesniki pišejo pesmi v vseh jezikih, a nemalokrat ostajajo neznani zunaj meja jezika, v katerem pišejo. Namen Versopolisa je to spremeniti in ustvariti enkratno vseevropsko platformo, ki daje perspektivnim evropskim pesnikom možnost, da postanejo mednarodne pesniške zvezde.

V prvem letu projekta Versopolis bomo promovirali 55 avtorjev in njihovo poezijo, združeno pod motom *kjer živi poezija*, skupaj z enajstimi festivali, ki bodo delovali kot promotorji literature in založniki v evropskem literarnem prostoru. Ptujsko občinstvo bo dobilo priložnost, da spozna pet perspektivnih avtorjev in jim prisluhne: Justyni Bargielski iz Poljske, Päru Hanssonu iz Švedske, Vytautasu Stankusu iz Litve, Ivanu Šamiji iz Hrvaške in Gjoku Zdraveskemu iz Makedonije.

Versopolis na svoji spletni strani www.versopolis.com in profilu Facebook www.facebook.com/versopolis prinaša tudi najbolj zanimive literarne novice z vsega sveta, zato sledite Versopolisu in vedno boste tam, *kjer živi poezija*.

SERVIRANA POEZIJA

Servirana poezija? Prav ste prebrali – in to na pladnjih, ki so jih izdelale spretne roke varovancev Varstveno delovnega centra ZUDV Dornava, ter na drugih lesenih izdelkih. Pladnje je z iskrivimi verzi letošnjih pesniških gostov Dnevov poezije in vina opremila ptujska umetnica Tjaša Čuš, primerni pa so tako za serviranje hladnih poletnih pijač kot tudi za dišeče zimske kave in čaje. Če jih združite s Šepetanjami ob kavi, dobite zmagovalno kombinacijo in nepopravljivo očarate svoje goste. Ves izkupiček dražbe, ki jo bo letos prvič vodil Nenad Nešo Tokalič, bo namenjen ZUDV Dornava.

VERSOPOLIS, WHERE POETRY LIVES

Versopolis is a European poetry platform that creates new opportunities for emerging European poets and is supported by the European Commission's Creative Europe programme: European Platforms. The project coordinator is Beletrina Academic Press, the organizer of Days of Poetry and Wine.

Excellent young poets write poems in every language but are often unknown beyond the boundaries of the language they write in. The aim of Versopolis is to change this, creating a unique, Europe-wide platform that gives emerging European poets the chance to become international poetry stars.

In its first year the Versopolis project will promote 55 authors and their poetry, united under its motto *where poetry lives*, along with 11 festivals, which will act as literature promoters and publishers in the European literary space. The audience at Ptuj will get the chance to meet and listen to five of these emerging authors: Justyna Bargielska from Poland, Pär Hansson from Sweden, Vytautas Stankus from Lithuania, Ivan Šamija from Croatia and Gjoko Zdraveski from Macedonia.

Versopolis also brings the most interesting literary news from around the world at www.versopolis.com and on its Facebook profile www.facebook.com/versopolis. Follow Versopolis and find out where poetry lives.

SERVED POETRY

Served poetry? You've read right – and served on platters, fashioned by the skilled hands of the wards of the Adult Care Center for people with disabilities ZUDV Dornava, and on other wooden products. Tjaša Čuš, artist from Ptuj, furnished the platters with lively verses by this year's guest poets of the Days of Poetry and Wine. They are suitable for serving cold summer drinks as well as fragrant winter coffees and teas. If you combine them with Whispers over Coffee, you have a winning combination, which will irreversibly charm your guests. All proceeds from the auction, this year for the first time hosted by Nenad Nešo Tokalič, will go to ZUDV Dornava.

OTROŠKI PROGRAM

TUDI PESMI IMAJO OBLIKO

Literarna delavnica za osnovnošolce s pesnikom Davidom Bedračem

Kaj pa je zdaj to? Da imajo pesmi tudi roke in noge, glavo in celo lase?! Počešimo jih, razmršimo jim kitice, premečimo verze, naredimo jih gibke in živahne! Poskusimo jih skrajšati ... ali pa podaljšati. In pošljimo jih v svet. Prek telefonov, spleta ali pa kar na papirju ...

PRAVLJIČNE URICE

Najmlajši obiskovalci bodo lahko tri festivalske popoldneve prisluhnili pravljičnim uricam, ki jih je pripravila Liljana Klemenčič z mladinskega oddelka Knjižnice Ivana Potrča Ptuj. Tri pravljice bodo vzletele, zraven še poezijo zaobjele, za navdih pa jim bodo pesmice Milana Dekleva.

KINO VRTIČEK: NAVIHANI BRAM

Projekcija filma za otroke in ustvarjalna delavnica

Nizozemski otroški film *Navihani Bram*, ki je zaradi sinhronizacije v živo primeren za otroke od 5. leta naprej, pripoveduje zgodbo o radovednem, bistrem in nemirnem dečku Bramu, ki komaj čaka začetek šole. Tako kot si Bram nove zanimive besede zapisuje v posebno beležko, bomo na delavnici pod vodstvom Nejca Benčiča nove besede zapisovali in kovali tudi mi. Pri tem nam bo pomagal prav poseben gost, mojster jezika Milan Dekleva.

ŠEPETANJA OB KAVI

Vas že dolgo muči kakšno vprašanje, pa vedeževalke ni pri roki? Poglejte pod kavno skodelico ali kozarec v svojem najljubšem lokalu in odkrijte podstavke z verzi letošnjih pesniških gostov Dnevov poezije in vina. Kdo ve, morda pa se odgovor skriva prav v poeziji?

CHILDREN'S PROGRAMME

POEMS HAVE SHAPES AS WELL

Literary workshop for primary school pupils with poet David Bedrač

What's this? Poems have arms and legs, a head and even hair?! Let's comb them, unscramble their braided lines, throw their verses around, make them flexible and lively! Let's try to shorten them ... or lengthen them. And send them into the world. By phone, internet, or just on paper ...

FAIRYTALE HOURS

On three afternoons of the festival the youngest visitors can listen to fairytale hours, prepared in cooperation with Liljana Klemenčič from the youth section of the Ivan Potrč Library in Ptuj. Three fairytales will take off, fly, and embrace poetry, inspired by poems by Milan Dekleva.

GARDEN CINEMA: FIDGETY BRAM

Film screening for children and creative workshop

The Dutch children's film *Fidgety Bram*, which due to live synchronization is suitable for children from 5 years upwards, tells the story of the curious, clever, and restless boy Bram, who can barely wait for the beginning of school. Just as Bram notes down new interesting words into a special notebook, so too will we write down and create new words at the workshop led by Nejc Benčič. A very special guest, master of language Milan Dekleva, will help us in this endeavour.

WHISPERS OVER COFFEE

Have you been plagued by a question for far too long and there is never a fortune-teller at hand? Peek under your cup of coffee or your glass in your favourite café, and discover coasters with verses by this year's guest poets of the Days of Poetry and Wine. Who knows, perhaps the answer has been hiding in poetry all along?

MENTORJEVO PESNIŠKO BRANJE

Pravimo, da je Ptuj prestolnica poezije, a ne le zato, ker ga vsako leto med Dnevi poezije in vina obiščejo odlični pesniki z vsega sveta, ampak ker so taki pesniki na Ptuju tudi doma. V okviru Mentorjevega branja, ki ga podpira Javni sklad Republike Slovenije za kulturne dejavnosti, se bodo predstavili: Neven Borak, Sergej Harlamov, Bruno Marinič, Carina Petrič ter Aljaž Selinšek.

ZASEBNA BRANJA

Zasebno branje je prav posebna izkušnja, ki je ob obisku festivala Dnevi poezije in vina nikakor ne smete zamuditi. Letos so se nam v sodelovanju s Četrtno skupnostjo Center Ptuj pridružili novi gostitelji, tako da nas skupno čaka kar devet zasebnih branj. V skritih, a izjemno očarljivih kotičkih Ptuja bodo domačini gostili pesnike in njihove sogovornike ter ozek krog poslušalcev. Na te skrite lokacije vas bomo vsak dan petnajst minut pred začetkom dogodka pospremili izpred festivalske infotočke na Vrazovem trgu (domKULTure muziKafe). Ker je število mest omejeno na 12-25 (razlikuje se od lokacije do lokacije), vas vabimo, da svoje mesto rezervirate na info@poezijainvino.org.

MENTOR'S READING

We say that Ptuj is the Capital of poetry and not only because each year excellent poets from all around the world visit the town during Days of Poetry and Wine, but also because Ptuj is home to some of them. In the framework of Mentor's Reading, supported by the Public Fund for Cultural Activities of the Republic of Slovenia, Neven Borak, Sergej Harlamov, Bruno Marinič, Carina Petrič and Aljaž Selinšek will present themselves and their poetry.

PRIVATE READINGS

A private reading is a truly special experience that should in no way be missed during a visit of the Days of Poetry and Wine festival. This year, in cooperation with the District Community of Central Ptuj, new hosts have joined us, so a total of nine private readings await us. In hidden but exceptionally charming corners of Ptuj, local hosts will welcome poets, their interlocutors and a small circle of listeners. Fifteen minutes before the event on each day we will accompany you to the hidden location from in front of the festival info point on Vraz Square (Home of CULTure muziKafe). As the number of seats is limited to 12-25 (differing from location to location), we kindly invite you to reserve your place at info@poezijainvino.org.

HUDE POKUŠNJE!

Vznemirjajo že tretje leto in v svoj čarni ris privabljajo vse več zljubljencev v poezijo in navdušencev nad vini. So namreč preplet obojega v iskrivih, duhovitih, sočnih, nenavadnih, vznemirljivih, poskočnih, razmišljajočih pogovorih, vedno s po enim povabljenim literatom in vinarjem, da si ob namigih voditelja v brk povesta, kar si želite, predvsem pa v ne predolgemu monologu razkrrijeta svoje strasti, nagnjenja, želje, pričakovanja in skozi vse to pred vedno hvaležnim ter pozornim poslušalstvom odkrijeta vsak svoj ustvarjalni pečat, ki ga je eden z besedami vtisnil v knjigo in drugi z rokami v vino. Doslej se je zvrstilo že 24 Hudih pokušenj!, vsaka je bila drugačna in po svoje huda. Med letom v kletnem brlogu MužiKafeja, ob Dnevih poezije in vina v manjših in intimnejših prostorih. Ker je tam število mest omejeno na 15 do 25 (razlikuje se od lokacije do lokacije), vas vabimo, da svoje mesto rezervirate na info@poezijainvino.org.

SREDA, 26. AVGUST 2015

Otvoritvena čast vsako leto pripada domačinu – **Ptujski kleti**, ki se ponaša s častitljivo tradicijo vinarjenja od leta 1239 naprej, toda njihova vina imajo pridih sodobnosti in značaj krajevnosti, torej tako želenega terroirja, ki naj bi nedvoumno nakazal, od kod neko vino prihaja. Da je tako lahko le iz Haloz ali Slovenskih goric in od nikoder drugje. Pač, oster odgovor na vse večjo globalizacijo v vinskem svetu, ki uniformira in briše razlike. Seveda ptujski mojstri spoštujejo tudi stare kletarske modrosti, ki nam jih bodo s kozarcem v roki razkrili med sprehodom po svojih podzemnih ulicah.

WICKED TASTINGS!

Exciting for the third year in a row, and drawing into their magic circle more and more lovers of poetry and enthusiasts of wine. They are an interweaving of both, in lively, witty, juicy, unusual, exciting, buoyant, contemplative conversation, each time with one invited literary guest and one vintner who, led on by the moderator, tell each other directly whatever they wish to, but above all divulge, in a not-too-long monologue, their passions, tendencies, desires, expectations, and through all this, in front of an ever thankful and attentive audience, reveal their artistic marks, which one has left in books through their words and the other in wine through their hands. To date, 24 Wicked Tastings! have played out, each was different, and in its own way wicked. They take place throughout the year in the basement lair of mužiKafe, and in smaller and more intimate spaces during the Days of Poetry and Wine. As the number of seats there is limited to 15-25 (differing from location to location), we kindly invite you to reserve your place at info@poezijainvino.org.

WEDNESDAY, 26 AUGUST 2015

The honour of opening every year belongs to the native **Ptuj Wine Cellar**, priding itself on a venerable tradition of local wineries since 1239, yet their wines have a hint of the present and a touch of the local, that is, of a such desirable terroir that should clearly show where a certain wine comes from. And that such a wine can only be from Haloze or Slovenske gorice (regions in Northeastern Slovenia) and from nowhere else, an in any case sharp response to the increasing globalization of the world of wine that renders uniform and blurs differences. Of course, the masters of Ptuj also respect old cellar wisdom, which they will share with us, glass in hand, on a stroll through their underground streets.

ČETRTEK, 27. AVGUST 2015

Tu ni nobenega dvoma, **Hiša Joannes Protner** iz Vodol pri Malečniku (vinorodni okoliš Štajerska Slovenija) je hiša renskega rizlinga. Hud izviv, kot nalač za Hudo pokušnjo! Zakaj? Ker je renski strašno zahteven in po svoje muhav. Če se mu ne streže kraljevsko, če ni na kraljevski legi in če se je še vreme zarotilo, potem nima nič prestižnega na sebi, ampak je zgolj navadno vino. Da je kralj med belimi sortami, se pridušajo Nemci. Seveda, saj je njihov, (ob) renski namreč. Kako se mu udinja **Boštjan Protner**, bomo zvedeli naravnost od njega in s tremi primerki različnih letnikov.

PETEK, 28. AVGUST 2015

Gremo h koreninam vinske trte, tja, kjer se je pred približno 7500 leti vse skupaj začelo. V Gruzijo! Si lahko današnji svet predstavljate brez vina? Če bi se takrat in tam nekje ne zgodilo to, kar se je, bi ne bilo Hudih pokušenj! In še marsičesa drugega ne. Toda kaj se je pravzaprav zgodilo? To bomo skušali razvozlati s **Primožem Štajerjem**, ki skrbi, da tudi pri nas lahko uživamo v gruzijskih vinih, pridelanih po stari tradicionalni metodi z dooooooolgimi maceracijami in nego v qvevrih. Kaj pa je zdaj to? Pridite in zvedeli boste, čakajo vas tudi tri značilna, zanimiva in izzivalna gruzijska vina.

THURSDAY, 27 AUGUST 2015

Without a doubt, the **Joannes Protner House** from Vodole at Malečnik (wine-growing region Štajerska) is the house of the Rhine Riesling. A wicked challenge, perfect for a Wicked Tasting! Why? The Rhine Riesling is exceptionally demanding and in its way whimsical. If it is not served on royally, on a royal location, and if in addition, the weather conspires, then it holds nothing prestigious and is simply regular wine. That it is the king among white varieties is something the Germans swear by. Of course, as it is theirs, from (by) the Rhine. How **Boštjan Protner** serves this king, we will find out directly from him and through three examples of different vintages.

FRIDAY, 28 AUGUST 2015

We go to the roots of the grapevine, to where it all began 7,500 years ago. To Georgia! Can you imagine today's world without wine? If what happened back then and there would not have happened, there would be no Wicked Tastings! Just like many other things. But what actually did happen? This we will try to unravel with **Primož Štajer**, who ensures that in Slovenia, too, we can enjoy Georgian wines produced according to the old traditional method with loooooooong macerations and care in qvevris. And what now is that? Come and find out, and you will also discover three typical, interesting and challenging Georgian wines.

PREVAJALSKA DELAVNICA TER FLAMSKI IN NIZOZEMSKI FOKUS 2015

V osrčju pravljičnega vinorodnega okoliša Jeruzalemskih gričev se bodo med 22. in 26. avgustom mudili nizozemski in belgijski pesniki Jan Baeke, Hester Knibbe, Geert van Istendael in Maud Vanhauwaert, ki bodo na prevajalskih delavnicah skupaj s slovenskimi pesniki Milanom Deklevo, Marjanom Strojanom, Ana Pepelnik in Veroniko Dintinjana vzajemno prevajali svojo poezijo ob pomoči prevajalke Mateje Seliškar Kenda. Pesniki bodo ostali na Ptiju tudi po koncu prevajalske delavnice – svoje pesmi bodo brali na velikih večernih branjih festivala Dnevi poezije in vina. Njihovo gostovanje je del letošnjega flamskega in nizozemskega fokusa, ki ga prijazno podpirajo Nizozemska ambasada v Sloveniji, Flamska vlada, Nizozemska fundacija za literaturo in Flamski literarni fond.

PARZIFAL IN RAZSTAVA VITEZI IN PESNIKI, POEZIJA NA DVORU GOSPODOV PTUJSKIH

V letu 2013 so pripovedovalci v Zavodu Pajn pričeli s pobudo prevoda celotnega Wolframovega epa *Parzival* v slovenski jezik. Letos je pod peresom Marjane Benčina nastal prozni in delno pesniški prevod *Tretje knjige*. V srednjem veku so epsko pesnitev *Parzival* pelj, a melodija ni ohranjena. V iskanju slednje bodo interpreti to čudovito in pretresljivo zgodbo o mladem evropskem individuumu podali z oblikovanjem govora in delno petja, ki se napaja v gregorijanskem koralu in izročilu trubadurjev in minnesängerjev. Dogodek v čudovitem romanskem palaciju Ptujskega gradu bo spremljal razstava Vitezi in pesniki, saj so na srednjeveških gradovih slednje radi videli. Ptujski gotovo ni bil izjema. In kakšna poezija je bila popularna v tistem času? Pokrajinski muzej Ptuj - Ormož se tudi letos pridružuje festivalu s pestrim izborom lirike, ki bi jo lahko slišali tudi v dvoranah gospodov Ptujskih. Doživite jo v pristnem okolju, obogateno z muzejskimi predmeti.

TRANSLATION WORKSHOP AND FLEMISH AND DUTCH FOCUS 2015

From 22 to 26 August, the heart of the fairytale wine region of the Jerusalem Hills will be the temporary home of Dutch and Belgian poets Jan Baeke, Hester Knibbe, Geert van Istendael, and Maud Vanhauwaert, who will attend translation workshops with Slovenian poets Milan Dekleva, Marjan Strojan, Ana Pepelnik and Veronika Dintinjana and together with the translator Mateja Selisškar Kenda translate each other's poetry. The poets will stay in Ptuj after the end of the translation workshop – they will read their poetry at the grand poetry readings of the Days of Poetry and Wine festival. Their participation is part of this year's Flemish and Dutch focus, kindly supported by the Netherlands Embassy in Slovenia, the Government of Flanders, the Dutch Foundation for Literature, and the Flemish Literature Fund.

PARZIVAL AND EXHIBITION KNIGHTS AND POETS, POETRY AT THE COURT OF THE NOBLEMEN OF PTUJ

In 2013 the storytellers of Pajn Institute proposed a translation of entire Wolfram von Eschenbach's epic poem *Parzival* into Slovene language. This year a prose and partly poetry translation of the *Third Book* was created by Marjana Benčina. *Parzival* was sung in the Middle Ages but the melody is not preserved. In search of it the interpreters will present us this wonderful and moving story about a young European individual by speech and partly by singing, inspired by Gregorian chant and the troubadur and minnesänger tradition. This event in the Roman Palatium of the Ptuj Castle will be accompanied by the exhibition Knights and Poets, since the latter were well-received guests in medieval castles. Those of Ptuj certainly were no exception. And what kind of poetry was popular in those times? The Ptuj Regional Museum joins the festival this year as well, with a rich selection of lyric that could be heard in the halls of the Noblemen of Ptuj. Experience it in an authentic setting, furnished with museum objects.

LASTNIKI HUMORJA PREDSTAVLJajo PEŠ, MIŠ, TIRIH

V improvizirani predstavi *Pes, Miš, Tirih* v produkciji KUD Talija bo poezija nastajala pred vašimi očmi. Širje pesniki bodo inspiracijo za pesmi našli pri gledalcih in pripravili spontani pesniški večer, poln zanimivih likov in besed. Nastopajo LASTNIKI HUMORJA: Igor Bračič, Jan Hrušovar, Luka Korenčič in Jaka Šubic.

V prijetni senci srednjeveškega mestnega jedra na Ptuju, na Večer pred Dnevi pa tudi v Ljubljani, si boste med festivalom lahko privoščili čisto pravi *Oddih v verzih*. Na Jadransko ulico in Vrazov trg bo podjetje Kreal, d. o. o. postavilo svoje počivalnike, ki jim bo družbo delal dobro znani Travnik poezije Stanke Vauda Benčevič z natisnjениmi pesmimi letošnjih festivalskih gostov. Poleg oddiha vas torej utegne doleteti tudi navdih, zato bomo zraven postavili nabiralnike, papir in pisala, na katere lahko zapišete verze, ki se vam bodo utrnili med počitkom. Komisija, sestavljena iz članov uredništva Airbeletrine, bo zadnji dan festivala verze zbrala, pregledala ter izbrala najboljše, ki bodo prebrani na Velikem pesniškem branju, avtorji pa bodo prejeli lepe nagrade. Four poets will find inspiration for poems in the audience and prepare a spontaneous poetry evening, full of interesting characters and words. Performed by the LASTNIKI HUMORJA (Owners of Humour): Igor Bračič, Jan Hrušovar, Luka Korenčič and Jaka Šubic.

Besides relaxation, you might also experience inspiration; therefore we will place collecting boxes, pens, and paper nearby, on which you can write down verses that come to you while resting. On the last day of the festival, a commission, composed of the members of the editorial board of Airbeletrina, will collect and review the poems and select the best of them for reading at the Grand Poetry Reading. BESEDA KOT BARVE, BARVE KOT BESEDE

Osrednja festivalska razstava v produkciji Zavoda za sodobno umetnost SCCA-Ljubljana

Umetnice in umetniki: Maja Burja, Avgust Černigoj, Primož Čučnik & Gregor Podlogar & Žiga Kariž, Matjaž Hanžek, Andrej Hočevar & Jaka Železnikar, Alenka Pirman, Srečko Kosovel, Anton Podbevšek, Zoran Srdić Janežič, Valérie Wolf Gang

Kuratorji: Dušan Dovč, Mihael Kelemina, Simona Žvanut

Oblikovalka razstave: Vesna Bukovec

Svetovalka: Saša Nabergoj

SCCA-Ljubljana pripravlja dva dogodka, ki raziskujeta odnos med likovnim in besednim umetniškim izrazom ter ju je moč umestiti med raziskovalne projekte, ki presegajo meje ene same umetniške zvrsti.

24. avgusta 2015 ob 20.00, v okviru *Večerov pred Dnevi*, bodo v Projektni sobi SCCA (Metelkova 6, Ljubljana) pripravili dokumentarno predstavitev pesniškega in likovnega projekta *Oda na manhatnski aveniji* (Čučnik, Podlogar, Kariž). Dva dni pozneje, 26. avgusta 2015, pa bodo v ptujski Stari steklarski delavnici pripravili osrednjo razstavo, ki bo zasnovana z misljijo na festivalski pesniški program in dogajanje – pa tudi na mesto Ptuj kot gostitelja. Predstavili se bodo avtorji, ki so na eni strani v besedi iskali, in še isčejo, likovno vrednost ali na drugi strani prostor za besede na platnu. Razstava bo v treh zaokroženih sklopih ponudila izbor citatov iz manifestov likovnih in literarnih ustvarjalcev, ki bodo obiskovalce iniciacijsko popeljali skozi zgodovino eksperimentiranja s podobo in besedo; predstavila bo umetnike slovenske avantgarde, ki so referenčni tako za slovensko likovno kot tudi za literarno ustvarjalnost; sklenjena pa bo z umetniškimi deli in večmedijskimi instalacijami sodobnih ustvarjalcev.

V soboto, 29. avgusta, ob 18.00, ko se zaključuje festival in razstava zapira svoja vrata, bo Dušan Dovč v predavanju z naslovom *Odsotna pesem je pesem* govoril o vizualni poeziji in pesniških besedilih, ki so bolj kot branju namenjena gledanju.

WORDS AS COLOURS, COLOURS AS WORDS

Central festival exhibition produced by Center for Contemporary Arts SCCA-Ljubljana

Artists: Maja Burja, Avgust Černigoj, Primož Čučnik & Gregor Podlogar & Žiga Kariž, Matjaž Hanžek, Andrej Hočevar & Jaka Železnikar, Alenka Pirman, Srečko Kosovel, Anton Podbevšek, Zoran Srdić Janežič, Valérie Wolf Gang

Curators: Dušan Dovč, Mihael Kelemina, Simona Žvanut

Exhibition designer: Vesna Bukovec

Advisor: Saša Nabergoj

SCCA-Ljubljana is preparing two events that examine the relationship between artistic expression in visual arts and in words, and which can be placed among research projects that transcend the boundaries of a single art form.

On 24 August 2015, in the framework of the *Evenings before the Days*, a documentary presentation of the poetry and visual project *Ode on Manhattan Avenue* (Čučnik, Podlogar, Kariž) will be held in the SCCA Project Room (Metelkova 6, Ljubljana). Two days later, on 26 August 2015, they will prepare the central exhibition in Ptuj's Old Glassware Workshop, an exhibition conceptualised by thinking of the festival's poetry programme and events – as well as the city of Ptuj as the host. Authors who have on the one hand searched for visual value in words or on the other hand space for words on the canvas will present themselves. The exhibition will, in three complete sections, offer a selection of quotes from the manifestos of visual and literary artists, which will initiatively lead visitors through the history of experimenting with form and word; it will present artists of the Slovenian avant-garde, a reference for both Slovenian visual and literary creativity; and it will be concluded with artistic works and multimedia installations by contemporary artists.

On Saturday, 29 August, at 18.00, when the festival draws to an end and the exhibition closes its doors, Dušan Dovč will hold a lecture titled *The Missing Poem is the Poem* on visual poetry and poetic texts aimed more at viewing than reading.

Ulica Tomaža Šalamuna, Ptuj

JAZ SEM VODA

Zvočno-prostorska instalacija Stanke Vauda Benčevič

Voda je eden osrednjih motivov v poeziji Tomaža Šalamuna. *Jaz sem voda*, pravi v ciklu pesmi *Krog in dokaz kroga*, in dejansko se verzi najbolj eksplozivnega in ekspanzivnega slovenskega pesnika pretakajo brez meja med različnimi kulturami, kraji in pesniškimi tradicijami. Poezija Tomaža Šalamuna je kot veliki cunami, ki je preplavil tako ZDA kot tudi Evropo in Daljni vzhod. Ptuj, od koder izvira del družine Šalamunovih, je bil pomembna življenska postojanka Tomaža Šalamuna. Srednjeveško mesto nezamenljivo označujejo enovite strehe in strešniki, t. i. bobrovci. Če iz pesniške, se pravi ptičje perspektive, pogledamo na mesto, ga ugledamo prav kot mesto streh, če smo poezija, potujemo kot oblaki in po teh strešnikih padamo kot dež, se po njih stekamo po ozkih uličicah navzdol proti reki Dravi. Ptujčani smo ponosni, da se ena od teh uličic imenuje po Tomažu Šalamunu in da njegov glas in glas njegove poezije odslej nenehno odzvanjata po njej.

Njegovo likovno sporočilo je ujeto v prečiščeno govorico, ki uporablja vso razsežnost multimedejskega jezika, vendar hkrati ohranja elemente estetskega in doživljajsko polnega iskanja. Bogataj v svojih delih sestavlja arheologijo vsakdanjega življenja z uporabo različnih materialov, ki jih na sebi lasten način oblikuje v nove estetske podobe.

I AM THE WATER

Audio-spatial installation by Stanka Vauda Benčevič

Water is one of the central motifs in the poetry of Tomaž Šalamun. *I am the water*, he says in the cycle of poems *The Circle and the Circle's Argument*, and in fact, the verses of the most explosive and expansive Slovenian poet flow without boundary across different cultures, places, and poetic traditions. The poetry of Tomaž Šalamun is like a grand tsunami that has swept over the U.S. as well as Europe and the Far East. Ptuj, where part of the Šalamun family originates, was an important station in Tomaž Šalamun's life. The medieval city is unmistakably marked by uniform roofs and roof tiles, the so-called *bobroveč*. Looking at it from a poetic perspective – a bird's eye view – we see the city as a city of roofs; if we are poetry, we travel as clouds and fall on these tiles as rain, flowing down the narrow streets towards the Drava river. We, people of Ptuj are proud that one of these streets is named after Tomaž Šalamun, and that his voice and the voice of his poetry continuously resonate through it from now on.

ALI – ALI

Pesniško-fotografska razstava Dareta Grozničarja in Borisa B. Voglarja

Dare Gozničar (1972) se že od najstnijih let zanima za poezijo, a ga je še bolj prevzela glasba, ki jo je z ropotanjem kanaliziral v laških skupinah, najprej nekaj časa pri pankerskih Ujetnikih svobode in postgrungerski skupini Daddy's Pudding, kasneje pa še pri danes dejavni celjski rokenrol zasedbi Stranci. Vmes je bil še pri skupinah The Stroj, Nakajima in Thestrojmachine. Piše pesmi tudi za skupino Gromofon iz Celja. Je pred izdajo svoje prve pesniške zbirke.

Boris B. Voglar (1971) se s fotografijo bolj ali manj redno ukvarja od najstnijih let, ko je v zgodnjih osemdesetih začel s portretiranjem sošolcev in se preizkušal v razvijanju črno-belih fotografij v šolski temnici. Po letu 2000 s fotografiranjem združuje tehniko in družboslovje. Ob koncertni fotografiji, ki ga skupaj z zanimanjem za glasbo najbolj definira in je njegov leitmotiv od rane mladosti, ga privlačijo tudi druge motivike; od abstrakcij, ulične fotografije, arhitekturnih detajlov, karakternih portretov, urbanih pejsažev in vedut do krajin in narave. Voglar svoj pristop opisuje kot »ekspresivni impresionizem«, hkrati kot subjektivno beleženje impresij iz neposrednega okolja in kot izraz notranjega življenja.

Razstava Hermana Pivka

Herman Pivk, vizualni umetnik in fotograf, bo na samostojni razstavi z naslovom OBISKI v galeriji Tovarne umetnosti Majšperk predstavljal širši izbor del iz svojega ustvarjanja. Njegovo delo, ki v osnovi izhaja iz fotografije, je nadgrajeno tudi z drugimi elementi, ki vsebinsko dopolnjujejo samo fotografijo (plišaste figure, specifični okvirji, les). Razstava bo na ogled od 28. avgusta dalje. Več o avtorju na www.hermanpivk-foto.si.

EITHER - OR

Poetry-photography exhibition by Dare Gozničar and Boris B. Voglar

Dare Gozničar (1972) has been interested in poetry since his teenage years, but music took an even stronger hold on him. He channelled this through various Laško based bands, first for some time with the punk group Ujetniki svobode and the post-grunge band Daddy's Pudding, and later on with the still active rock'n'roll ensemble Stranci from Celje. Inbetween, he was part of The Stroj, Nakajima, and Thestrojmachine. He also writes songs for the group Gromofon from Celje. His first poetry collection is about to be released.

Boris B. Voglar (1971) has been more or less regularly engaged in photography since his teenage years, when in the early eighties he began with portraits of his classmates and tested himself in developing black and white photographs in the school's dark room. After 2000, he fuses technology and social science with photography. Aside from concert photography, which together with an interest in music best defines him and is his leitmotif since early youth, he is also interested in other motifs: from abstractions, »street« photography, architectural details, character portraits, urban landscapes and veduta, as well as landscapes and nature. Voglar describes his approach as »expressive impressionism«, as a simultaneously subjective recording of impressions from the immediate environment and the expression of inner life.

VISITS

Exhibition by Herman Pivk

Herman Pivk, visual artist and photographer, will present a wider selection of works of his creation in the independent exhibition entitled VISITS in the gallery of the Art Factory Majšperk. His work, in essence based on a photograph, is enhanced with other elements that in content complement the photograph itself (stuffed figures, specific frames, wood). The exhibition will be open for viewing from the 28 August onwards. More on the author can be found on www.hermanpivk-foto.si.

STIHOTEKA

Festival Dnevi poezije in vina je v osemnajstih letih v Slovenijo pripeljal več kot 450 pesnikov z vsega sveta in s prevodi njihovih pesmi v slovenščino ustvaril največji arhiv sodobne poezije v Sloveniji. Po dolgih letih, ko je arhiv ostajal razdrobljen po festivalskih zbornikih, smo leta 2012 koščke sestavili in iz njih ustvarili največji slovenski pesniški arhiv. Na spletni strani www.stihoteka.com lahko najdete pesmi vseh pesnikov, ki so kdajkoli stali na odrih Dnevov poezije in vina, vsako leto pa se jim na istem mestu pridružijo novi pesniki in nove pesmi. Stihoteka je hkrati pravi kraj za nabiranje pesniških novičk, kot tudi vseh informacij o festivalu Dnevi poezije in vina.

VERSOTEQUE

Over the course of eighteen years, the Days of Poetry and Wine Festival has brought to Slovenia over 450 poets from all over the world, and created the largest Slovenian archive of contemporary poetry, with the translations of their poetry into Slovenian. After many years, during which the archive was viewable only in collections published annually as a part of the festival, we finally brought the pieces together in 2012, to create the largest Slovenian poetry archive. The website www.versoteque.com thus contains the poetry of all poets who ever stood on the stage of the Days of Poetry and Wine Festival. It is updated annually with new poets and new poems. Versoteque is the spot to find poetic news, as well as all information on the Days of Poetry and Wine Festival.
